# Correction: Emergency medical care of patients with psychiatric disorders - challenges and opportunities: Results of a multicenter survey

Benedikt Schick<sup>1\*</sup>, Benjamin Mayer<sup>2</sup>, Markus Jäger<sup>3</sup>, Bettina Jungwirth<sup>1</sup>, Eberhard Barth<sup>1</sup>, Martin Eble<sup>4</sup>, Christoph Sponholz<sup>5</sup>, Claus-Martin Muth<sup>1</sup> and Carlos Schönfeldt-Lecuona<sup>6</sup>

**Correction: BMC Emergency Medicine (2022) 22:173**  
<https://doi.org/10.1186/s12873-022-00722-5>

Published online: 23 July 2024

## Publisher's Note

Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article contains an error in Table 1 whereby the two percentages reported in the 'Anxious about the psychiatric emergency' row are erroneously inverted.

The 'Emergency Physicians' column should instead state '3 (3.1%)' and the 'Psychiatrists' column should instead state '20 (19.2%)'.

---
